WWW.GODSEARCHSCOTLAND.ORG.UK

Morning

What makes us human? Looking at body and soul, genes and gender

Led by **Thomas Torrance**, retired Senior Lecturer in Economics at Heriot-Watt University and **Elaine Storkey**, Director of Training for the Church Army

Afternoon

What keeps us human? Issues at the start and close of life

Led by **John Wyatt**, Professor of Perinatology at Imperial College, London

....followed by a choice of workshops:

- A Ethics and Genetics (led by **Murdo Macdonald**) - Issues of complexity, cure and confidentiality
- B Killing with Kindness? (led by **Alistair Donald**) - End of life issues
- C Smarter, Stronger, Faster, Longer? (led by **Donald Bruce**) - Drugs, implants, cosmetic surgery...
- D Keeping our Humanity (led by **Joe Houston**) - Does morality have a future? Does staying human require rules?

Conference chaired by **Wilson Poon**, Professor of Physics at Edinburgh University
 Cost of £10 includes light lunch and coffees

Applications will be acknowledged, and a conference pack sent before the event

This conference is organized by the Mission and Discipleship Council group responsible for encouraging a network for Christian apologetics, but people of all beliefs are welcome

Childcare may be available if requested by several people
