Legacies

'Legacies are a great way of giving, especially for those who, at the moment, do not have very much disposable income, but who may own a house or have some other capital left when they die.'

Oliver Barclay, former General Secretary and active supporter

UCCF, like many charities, benefits greatly from legacies. For advice on including UCCF in your will, we recommend that you contact qualified legal advisors. A leaflet giving further information is available to download **here**.
