

Job and the Problem of Evil

Eleonore Stump

In a talk given at The Veritas Forum at the Texas A&M University in February 2005, Professor Eleonore Stump considers how a 'second person' approach to the book of Job can throw light on the interaction between Job and God.

The talk lasts for about 45 minutes and is followed by a 35 minute Q&A session.

This talk is published here by the kind permission of The Veritas Forum.
