

## Chronicles of Heaven Unshackled

*Pete Lowman wrote Chronicles of Heaven Unshackled for his doctoral thesis. **But don't let that deter you!** The nine parts examine the presence (and absence) of God in the English novel, with particular reference to Tolkien and Lewis. It is an illuminating study of different ways to include God and the 'supernatural' in a novel. Each part can be read independently, so dip in for a fascinating analysis of your favourite book and then re-read the book with renewed insight - or, as in my case, be inspired to go away and read some of these for the first time.*

*Happy reading!*

*Part 0: Introduction: The Loss of God in the Novel*

*Part 1: J.R.R. Tolkien's The Lord of the Rings*

*Part 2: C.S. Lewis' Out of the Silent Planet*

*Part 3: C.S. Lewis' Voyage to Venus*

*Part 4: C.S. Lewis' That Hideous Strength*

*Part 5: C.S. Lewis' Till We Have Faces*

*Part 6: Jack Clemo's Wilding Graft*

*Part 7: A Few Conclusions*

*Part 8: Appendix: The Monsters and the Christians: How can a 'Fantasy' Have a Worldview?*
